THE QUALITY LUBRICANT

Lubricant Storage Tanks

The Complete Service for your Lubrication Storage

THE WITHAM GROUP

Manufacturers of Quality Lubricants & Paints since 1921

For all your Lubrication and Storage Requirements

The Witham Group has been developing and manufacturing commercial paints and lubricants for over 90 years and has an excellent reputation for quality products, reliable service and a wealth of experience.

We pride ourselves in helping our customers with all their lubricants and grease requirements. That doesn't mean just getting the right oil, we work together to achieve better efficiencies and appearances of all your machinery and equipment whatever the industry.

FREE STORAGE TANKS

As part of this unique service we can supply a range of specialist bulk storage tanks for workshops and outbuildings. We can help advise on the best way to install the tanks which for standard sizes are free of charge. Your lubricants are filled up in the colour coded tanks as required, which are clearly labelled for different products and uses. Simple, clean and easy to use this storage system leaves your working space ship-shape for the environment and important health & safety requirements.

- ✓ Helps keep workshops and outbuildings clean and tidy
- ✓ Helps avoid contamination of products and keeps a safer working environment
- ✓ Helps the environment by using less packaging and avoids container spillages
- ✓ Helps create more space in your workshop
